Descriptions for all courses except PTH 472 can be found in the Doctor of Ministry Manual and in the Hood Theological Seminary 2018-2019 Catalogue. Both documents are available on myHood. Printed copies of the Catalogue are available in the Hood Library. Below is a revised description of PTH 472.

PTH 472 Practicing Transformational Leadership in the Black Church

The legacy of liberation through transformational leadership has been key to the progression of the Black Church in various sociological conditions. This course will explore up close the leadership legacy replete within the Black Church traditions by studying noteworthy personalities and their leadership strategies. Students will be given tools and processes that will enable them to embody and embrace the spirit of leadership in the various contexts they are called to serve.
